

School Directory Permission Form

Each year the Duff Elementary PTA publishes a directory for each family at Duff. The directory is published for the convenience of students and their parents/guardians. The Duff Directory this year is free for all Duff families as a gift from the PTA. Please complete this form to give permission for your child's name, phone number, and/or address to be released in the 2013-2014 Duff Directory.

If you have more than one child at Duff and the information is the same for all children, you only need to complete one form.

Thank you!

Duff Directory Chairperson
